Letter to Joe Mikulik,

SHINER, TEXAS.

Dear Sir: Here's the truth, the whole truth, and nothing but the truth: Devoe takes less gallons for a job than any other paint.

If any one doubts this statement, here's the proof: He may paint half his job Devoe, the other half any other paint.

If Devoe half doesn't take the least gallons and cost less money, no pay.

Yours truly,

F. W. DEVOE & CO.

P. S.—C. L. Williams sells our paint.
